

JOHNNY BAKER (JOHN BOYD BAKER)

Artist Overview

Johnny Baker — also known by his full name **John Boyd Baker** — remains one of the most intriguing and least-documented figures in 1970s American soul. Active between **1973 and 1976**, he recorded exclusively for two small independent labels:

- **Fog City Records** (San Francisco, 1973)
- **Cisco Records** (Los Angeles, 1976)

Complete Discography

1973 — Fog City Records (San Francisco, CA)

Fog City appears to have been a one-artist imprint. All known releases belong to Johnny Baker.
